

CEDAR MEADOW LAKE

2009 - 2010 ACTION PLAN

GOAL 1. DAM MAINTENANCE

Maintain the dam in good condition and provide the ability to engage in periodic draw downs or other actions to maintain the lake in good condition. Routine maintenance will include monthly mowing of the upper dam surface.

Responsibility: Management Committee with assistance of qualified contractors

Resources: Funds in Annual Budget

GOAL 2. TREE REMOVAL

Continue to seek permission of the owner of the property on the south side of the dam to cut large trees within 10 feet of the dam structure as ordered by the Office of Dam Safety.

Responsibility: Management Committee

Resources: Funds contained in the Annual Budget

GOAL 3 REPAIR DAM

Continue to find and stop the leaks in the dam through hand packing with concrete.

Responsibility: Management Committee with assistance of volunteer divers, and volunteer workers

Resources: Funds contained in Annual Budget

GOAL 4. WEED CONTROL

Draw down the lake five feet in late September or early October to coincide with dam repair and maintain this water elevation until the lake bottom freezes for weed control purposes. Thereafter, efforts will be undertaken to maintain lake levels between 30 and 36 inches below the spillway elevations during that portion of the winter when the lake is covered with ice to minimize ice damage to shoreline structures.

Responsibility: Management Committee

Resources: Volunteer hours and minor administrative expenses

CEDAR MEADOW LAKE
2009 - 2010
ACTION PLAN
(continued)

GOAL 5: BENTHIC BARRIER

Redeploy, and periodically move, the 7 foot by 80 foot benthic barrier and other benthic barrier material in shallow coves in the lake to kill unwanted aquatic vegetation.

Responsibility: Management Committee with assistance of volunteers

Resources: Funds in Annual Budget for minor material

GOAL 6: CONDUCT WATER QUALITY MONITORING PROGRAM

Measure total phosphorus content and clarity through the collection and analysis of lake water samples.

Responsibility: Management Committee with assistance of volunteers

Resources: Volunteer hours and low cost or no cost analysis

GOAL 7: LEGAL DEFENSE

Vigorously defend the District in a law suit brought by Central Water District Associates (CWDA) seeking a greater value for the dam and land under the lake than that paid by the District as part of an eminent domain taking.

Responsibility: Management Committee with assistance of legal counsel and expert witnesses

Resources: Funds in Annual Budget

GOAL 8: FRIENDS PROGRAM

Continue to implement a program to solicit voluntary contributions from non-Proprietor neighbors that might use or otherwise enjoy the lake.

Responsibility: Management Committee

Resources: Minor postage and copying expenses

GOAL 9: COMMUNICATIONS

Communicate information regarding happenings on and around the lake through periodic newsletters and the District's web site www.cedarmeadow.org.

Responsibility: District Clerk

Resources: Funds in Annual Budget
